FALL PIPELINE SAFETY WORKSHOP

The Office of the State Fire Marshal (SFM) regulates the safety of approximately 5,500 miles of intrastate hazardous liquid transportation pipelines and acts as an agent of the federal Office of Pipeline Safety concerning the inspection of more than 1,300 miles of

interstate pipelines. Pipeline Safety staff inspect, test, and investigate to ensure compliance with all federal and state pipeline safety laws and regulations.

The Office of the State Fire Marshal, Pipeline Safety Division, holds a workshop bi-annually to give people in the industry an opportunity to learn about new and current pipeline regulations, discuss the latest technology, listen to speakers from various branches of government, and network with others in the industry.

Date: Wednesday, October 22, 2003

Time: 8:30 a.m. – 4:30 p.m.

Location & Lodging:
Holiday Inn Select
Reservations: (661) 323-1900
801 Truxton Avenue
Bakersfield, California

Room rates are \$79.00 plus tax.
Mention the State Fire Marshal.

Registration: \$110.00 (Includes continental breakfast & lunch)
